Please send completed order form and payment to Seamen's Church Institute at the address at right.

Thank you for your support!

Our *History with a Heart* campaign is in its final stages. This time-sensitive project has significant impact in preserving Seamen's most valuable asset; its historic building at 18 Market Square.

Your purchase of a Recognition Brick will help us reach our campaign goal to accomplish much needed renovations.

Engraved bricks will be mounted on the interior walls of the new Bowen's Wharf entrance and elevator lobby to demonstrate the community's commitment to Seamen's human service and waterfront mission.

You can help us reach our goal by purchasing a Recognition Brick for just \$250 each!

"What's special about Seamen's are the people...the people who seek our assistance, the volunteers who give their time and talent, the donors who provide essential support, the staff who bring vibrant life to the building and compassionate service to those who visit, and the board of directors who provide faithful stewardship!"

— JACK GRANT, SUPERINTENDENT
